This quiet country acreage is close proximity to Cobbs Mill state lands and just a few miles from the Village of Camden NY. Perfectly located in the heart of recreation country. Just minutes from snowmobile trails and world class fishing. This property is surrounded by hardwoods and directly accessible from Pond Hill rd that provides a gravel drive to a level landing to get you started. Power is available at roadside. Additional acreage may be available and recent survey has been done. Call today for more details!
